

Risk Assessment: Edinburgh Bingo Event

Date: 26SEP26 Location: Edinburgh (various outdoor/indoor areas)

Assessor: Rohan Persand Review Date: 25SEP26

Event Summary: A bingo game played across Edinburgh. Participants will move between locations to mark off items.

Rules: No one plays alone. A dedicated game leader is present at all times. Disruptive behaviour is not permitted.

Hazard / What Could Go Wrong	Who Could Be Affected	Precautions to Take	Additional Notes / Action
Get Lost	Participants, game leader, other pedestrians	• All participants stay with their assigned partner or group (no one plays alone). • Game leader checks in with players often. • Pre-agree on meeting points and a central rendezvous if separated. • Provide participants with a contact number for the game leader. • Use familiar, well-lit, public routes.	Frequent check ins.
Injury (slips, trips, falls, road traffic)	Participants, game leader, general public	• Wear comfortable, sturdy footwear. • Walk, do not run. Cross roads at designated crossings. • Be aware of uneven pavements, cobbles, and weather conditions. • Carry a basic first-aid kit. • Game leader to have first-aid knowledge. • Avoid busy roads and construction zones.	Running ban in place if surface is poor

Hazard / What Could Go Wrong	Who Could Be Affected	Precautions to Take	Additional Notes / Action
Antisocial Behaviour (from participants or others)	Participants, game leader, public	• Clear rule: no disruptive behaviour. Anyone acting disruptively will be asked to leave. • Game leader to monitor group behaviour and intervene early. • Avoid areas known for antisocial behaviour. • Do not engage with aggressive members of the public; move away and call 101 if needed. • Keep noise levels respectful.	Game leader has authority to pause or end the game if behaviour becomes an issue.
Medical Attention Required (pre-existing conditions, sudden illness)	Participants, game leader	• Participants disclose any relevant medical conditions to the game leader (confidentially). • Carry personal medication (inhalers, EpiPens, insulin, etc.). • Game leader knows emergency contact details for each participant. • Not hidden at all point so public can help if needed • In an emergency, call 999.	RE see running ban
Thirst / Dehydration	Participants, game leader	• Everyone brings a water bottle. • Plan route with access to shops, cafes, or public water fountains. • Take regular breaks, especially in warm weather. • Check ins prevent this. • Non alcoholic event.	On hot days, increase break frequency and reduce walking distance.
